

Putnam Fund Guide

Use this guide as a reference to select your investment(s) on Putnam forms and applications. If you have any questions or if you want to receive a copy of a fund prospectus, which contains information about fees, expenses, and risks, please contact your financial advisor or call a Putnam customer service representative at 1-800-225-1581. Please read the prospectus carefully before you invest or send money.

Investment offerings will periodically change. Please view a current fund guide at <https://www.putnam.com/individual/forms/>

If you are transferring shares held in The Putnam funds to a new ownership registration with Putnam, you must select the same share class as the original account.

For new investments, if no share class is indicated, Class A shares will be purchased.

Important: Money market funds are not insured or guaranteed by the Federal Deposit Insurance Corporation (FDIC) or any other governmental agency. Although the fund seeks to maintain a constant share price of \$1.00, it is possible to lose money by investing in this fund. Pursuant to Rule 2a-7 under the Investment Company Act of 1940, the Money Market Fund is limited to beneficial owners that are natural persons only; institutional accounts are not allowed.

Retirement accounts (Page 2)

Class A, C, and M shares are available only on terms set forth in the prospectus under How do I buy fund shares. Check with your financial advisor on the availability of other share classes.

Any unallocated investments will be placed into Class A shares of the Putnam money market fund that corresponds with your status as an institutional or retail investor.

Non-retirement accounts (Page 3)

Class A, C, and M shares are available only on terms set forth in the prospectus under How do I buy shares. Check with your financial advisor on the availability of other share classes.
