Section 3 Receiving beneficiary/account information

For each receiving beneficiary that is a "member of the family" of the current beneficiary you must indicate this status by checking the box below the receiving beneficiary's name. If you do not check off this box, the listed beneficiary will be treated as "not a member of the family" of the current beneficiary and the rollover to the account of the receiving beneficiary will be treated as a distribution with earnings **subject to tax and penalty**.

A "member of the family" is defined under section 529 of the Internal Revenue Code as a person related to the beneficiary as follows: (i) a son or daughter, or a descendant of either; (ii) a stepson or stepdaughter; (iii) a brother, sister, stepbrother or stepsister; (iv) the father, mother, or an ancestor of either; (v) a stepfather or stepmother; (vi) a son or daughter of a brother or sister; (vii) a brother or sister of the father or mother; (viii) a son-in-law, daughter-in-law, father-in-law, mother-in-law, brother-in-law or sister-in-law, (ix) the spouse of the beneficiary or of any of the other foregoing individuals or (x) a first cousin.

Funds will be transferred in kind based on the allocations in Section 2 unless otherwise indicated on a separate letter of instruction or new account application. If different funds or allocations are indicated, an exchange will take place following the transfer. When transferring to multiple recipients, the total allocations below must equal 100%.

Note: Age-based investment options will be reallocated to coincide with the age of the receiving beneficiary.
