This material is for informational and educational purposes only. It is not a recommendation of any specific investment product, strategy, or decision, andis not intended to suggest taking or refraining from any course of action. It is not intended to address the needs, circumstances, and objectives of any specificinvestor. Putnam, which earns fees when clients select its products and services, is not offering impartial advice in a fiduciary capacity in providing this sales and marketing material. This information is not meant as tax or legal advice. Investors should consult a professional advisor before making investment and financial decisions and for more information on tax rules and other laws, which are complex and subject to change.

Putnam is not affiliated with the firm participating in this seminar.

All funds involve risk, and you can lose money. Diversification does not guarantee a profit or ensure against loss. It is possible to lose money in a diversified portfolio.

Request a prospectus from your financial representative or by calling Putnam at 1-800-225-1581. The prospectus includes investment objectives, risks, fees, expenses, and other information that you should read and consider carefully before investing.
